# EARN REWARDS WITH A NEW COMMUTE

Share-a-ride can help you find different ways to get around in southeastern PA instead of driving alone – in carpools and vanpools, on transit, and even with biking routes. Registrants can earn points when they choose to not drive alone.

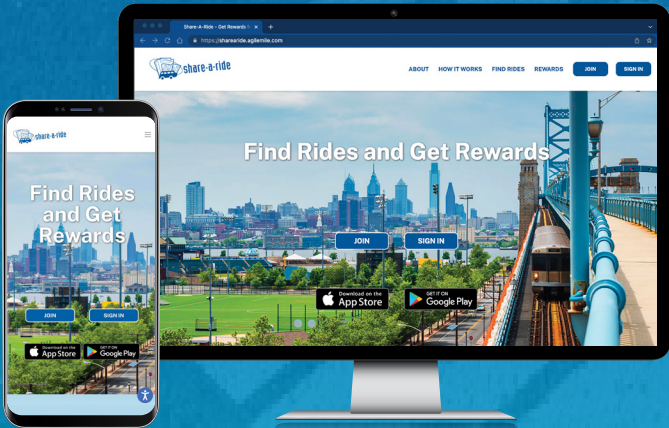

## POINTS ADD UP!

Points can be used for discounts on coffee or meals, coupons for favorite stores and services, reduced admission for entertainment, and more. A menu of reward options is available on [sharearide.agilemile.com](http://sharearide.agilemile.com) (scroll to the bottom of the home page).

## WHEN YOU SHARE YOUR TRIPS, EVERYONE WINS.

When we leave our vehicles at home and ride with others - we aren't the only ones who win.

Our region can see less traffic congestion, cleaner air, and more equitable transportation options for everyone. Commuters can find a less stressful and more effective way to get around. Overall, it can help make the greater Philadelphia region an even better place to live.
